

LICENSE CONDITIONS

IBEXPERT SERVER TOOLS

Supplementary to the IBExpert GmbH Contract Terms for the Lease of Software (General Terms and Conditions Software Lease), the following terms and conditions apply to the IBExpert Server Tools software, hereinafter referred to as Server Tools:

1. The Server Tools are made available in the IBExpert Download Center, in the registered customer account. Following registration in the IBExpert Download Center, the login data is sent to the customer's e-mail address with the subject line *Your Password for the IBExpert Download Center*.
2. Hardware-independent activations are required. Each Server Tools software edition includes a singular download. No further activation codes can be made available to the customer following activation.
3. In virtual environments only 1 instance may be active per Server Tools activation. 1 IBExpert Server Tools registration is required for each copy of the virtual machine on which the script engine is to be used. Transfer to another virtual machine is not possible.
4. Access to the IBExpert Download Center is valid for 12 months. All software registrations must be activated within 12 months in the IBExpert Download Center.
5. The customer registered in the IBExpert Download Center is entitled to pass on the IBExpert modules listed under point 6. to his customers.
6. The IBExpert Server Tools include the following IBExpert modules: IBEScript.dll, IBEScript.exe, IBEBackupRestore.
7. The customer may continue to use the IBExpert modules listed under point 6. indefinitely on the registered hardware.
